STANDARD SELF-PAY RATES & FEES

The following is a list of my services and standard rates for each service, unless otherwise agreed and noted elsewhere.

I reserve 25% of my practice caseload to serve those in need of reduced rate services. If we have agreed on a reduced rate and your financial circumstances improve while we're working together, allowing you to afford my standard rate of \$185 (or something closer to that amount), let's re-negotiate your fee so that your reduced rate slot can open up to someone else in need.

—

Payments accepted include Visa, MasterCard, American Express, JCB, Discover, Diners Club, FSA and HSA cards.

—

Psychotherapy & Counseling Sessions:

\$185

Each standard 50-min session is charged at my hourly rate of \$185 and an extended, 80-min session is \$290, unless otherwise agreed.

—

Letters & Reports:

\$25 (or \$185 per hour)

Should you require a single-page report or letter be written and provided to you or someone you designate, the fee is \$25 each unless such report or letter requires more than 15 minutes of my time to prepare, in which case the fee is based on my hourly rate of \$185 per hour.

—

Meetings & Correspondence:

\$185 per hour

Should you require my attendance at meetings or prolonged (over 15 min) correspondence with other professionals or individuals involved in your care on your behalf, I will charge for my time based on my hourly rate of \$185.

—

Litigation:

\$425 per hour

Should I be ordered by a court of law to appear as a witness in an action involving you, my hourly rate for any time spent out of the office, preparation, and travel is \$425.00 per hour, plus expenses.
